Miss Anne Warren Weston

Dear Madam,

I am informed that you
are very desirous to obtain a Husband and
I understand you have taken quite a
liking to the dark cadaver and would
prefer one of the real African breed.
If you must be very fond of sweet
things & fine flavors. I admire your
fine taste. I have a very bull Nigger
of the real African breed one I think
he would suit your taste and if you will
come out to Louisville in old Kentucky
you may marry him if you think
you would be a good breeder
for they will be worth five
or six hundred Dollars a piece
I would be much pleased to
see you in the place should
you feel disposed accept of my
proposal you will find me at
no 229 North Street - Louisville
You will please write me by
return mail - In haste
Yours most &c
John J. Jacob
